

# USING FOLLOW THIS FIP

FisheryProgress' Follow This FIP allows you to easily track progress of the FIPs you source from or are considering sourcing from. Information and updates on the FIPs you follow are available through your personal FIP dashboard and via automated monthly email updates.

## Receive a Monthly Digest About the FIPs You Follow

**Pacific Ocean tuna - longline (Cheng Hung Seafood Frozen Produce Co., Ltd.)**

Date	Progress Rating	Listing Status	FIP Type
Last Month	N/A	Active	Comprehensive
This Month	A	Active	Comprehensive
Change			

In compliance with Environmental reporting requirements?\*

**Yes**

In compliance with Social reporting requirements?\*

**Yes**

CONGRATULATE FIP PROGRESS
ENCOURAGE REPORTING COMPLIANCE
ADDRESS STALLED PROGRESS RATING

Each month, you'll receive a monthly digest in your inbox summarizing progress and changes in all the FIPs you follow.

The Follow This FIP digest will note any improvements or regressions in the FIP's overarching progress. The email makes it easy to congratulate the FIP on improvements or reach out to discuss issues by providing links to reach out directly to the FIP leads and pre-populated email templates.

### Questions?

Please email [contact@fisheryprogress.org](mailto:contact@fisheryprogress.org) with questions about Follow This FIP.

## How to Follow A FIP

To follow a FIP, click on the "Follow this FIP" button on the FIP's Overview Tab.

Once you've followed a FIP, it will appear in your Dashboard, where you can easily check the status of the FIPs you follow.

**My Dashboard**

**Add a New FIP Profile**  
Create a new FIP profile by uploading required documents and setting up progress indicators and action tracking.  
[Add profile](#)

**Update Your FIP Profile**  
Update your FIP profile to report on progress against the workplan and outcomes achieved by the FIP. If your FIP has completed its objectives, you can enter your final update here.

**FIPs I'm Following**

FIP Name	Type	Stage	Rating	Remove
