Dear Jo

**ACADEMIC SPONSORSHIP – “Impacts of Nephrops trawl and creel fisheries on marine habitats in the North Sea, West of Scotland and the Irish Sea” - MASTERS PROJECT**

I am pleased to inform you that your proposed project as named above fits within the scope of the 2019 round of the Fishmongers Academic Sponsorship programme. We are therefore happy to support the placement, pending the agreement of the student and submission of the application form. We can offer support up to a maximum value of [REDACTED] “award” that we will pay directly to the student on commencement), with details to be agreed in the formal application form.

Please discuss the sponsorship with the student, including the condition to provide a photo and be willing for Fishmongers Company to contact them directly, and if they agree, submit the application form in conjunction with them, before the project commences.

Yours sincerely

Andrew Wallace  
Fisheries Director
