Dear Steve,

As the contracted WCPFC Data Managers, I can confirm that 2020 provisional billfish and shark catch estimates from VTFACE10 have been submitted to the WCPFC.

*Hello Dr. Hai,*

*Thank you for the fast response to my email. We are meeting tomorrow to discuss how to complete this project quickly and I will advise you of our plans.*

*Also, for my report to our US customers, did VTFACE 10 report 2020 provisional billfish and shark catch data to WCPFC?*

*Best Regards,*

*Steve*
