<b>Comments</b>			
<p><i>Update as of July 2018</i></p> <p>Key Traceability engaged with ISSF and joined the relevant mailing lists to advocate to the RFMOs regarding harvest strategies.</p> <p>ISSF sent multiple letters in which Tunago put their name towards to help bolster the strength in the advocacy. FIP participants are in conversation with ISSF in how to improve this and a meeting is planned with the Vanuatu Authority in 2019.</p>
