The Sub Inspector of Police  
Police Station  
Mimisal-614621  
Tamil Nadu

Respected Sir,

**Sub: Requisition for a Copy of the FIR filled on catch Sea cow (*Dugong dugon*) – reg.**

I would like to inform that Crab Meat Processors Association (CMPA), India is a Non Governmental Organization launched in 26<sup>th</sup> December, 2016, with its base office at Tuticorin. The CMPA works for the sustainable harvest of Blue Swimming Crab (BSC) from the marine ecosystem through a Fishery Improvement Project (FIP) with the participation of various institutional partners for getting the Marine Stewardship Council (MSC) certification for the BSC fishery. To fulfill the requirements for the MSC certification CMPA need to document the collection of marine endangered species from the fishing nets operated in the Palk Bay ecosystem. In this regard, I kindly request you to provide the FIR copy filled with regard to catching/poaching of the seacow from Pudukudy fish landing center on 25-09-19. The information, which we have sought, will be much helpful in our objectives with regard to certifying the crab fishery in Palk Bay region, which in turn will improve the livelihood of the fishing community. Looking forward for your kind cooperation

Thanking you

Yours Sincerely,

A handwritten signature in blue ink, appearing to be 'Sanil Kumar S', written over a circular stamp.

SANIL KUMAR. S  
President – CMPA, India
