

Meeting of Fisheries Management Institutions for Fisheries Management Areas of the Republic of Indonesia (FMA) 714

18-20 August 2022. APRI through Mr. Ir. Bambang Arif Nugraha via online and Muh. APRI enumerator Wellis directly attended the meeting which was held through the Kendari Ocean Fishery Port as the executive coordinator of WPPNRI 714 along with all members of the Working Group, commissions, and related stakeholders.

One of the agenda for this meeting is to take an inventory of the problems and work plans of LPP WPPNRI 714 with an effort to support the implementation of Measured Fishing.
