Attention is invited to the subject and reference cited. As you are also aware that Department of Fisheries and WWF jointly organized a workshop for enforcement officials of the Department in December 2019 and in that workshop, it was decided to prepare and publish a Hand book for Fisheries Enforcement officials as a guidance document for effective implementation of KMFR Act. CIFT, CMFRI scientists and Department officials were entrusted with the work. It was planned to complete the work by May 2021 but not yet completed. As you have immense expertise in this field, we request you to kindly collaborate with us in this work as an independent expert in bringing out the publication, this year. Sri. Aneesh, Assistant Director of Fisheries, Vypin, Ernakulam will be the point person from Department of Fisheries, Kerala.
