

Minutes of Meeting

Subject : Visit to Brawijaya University, Malang, East Java

Date : Jan 19, 2022

Participants :

Heri, Brama and Timotius (FIP Sekarlaut)

Pak Abu, Ibu Ledhy, Ibu Citra, Brawijaya team

Agenda:

FIP introduction to Brawijaya University and possibility to cooperate in FIP activities and implementation.

Update progress:

1. For the first time, we met with Brawijaya University team. We discussed about action plan and possibility for the university to support and join the FIP. Pak Abu (Head of Department), Bu Ledhy and Bu Citra show their interest to support some of the actions, but need to consider the funding mechanism as it will involve expensive travel cost and accommodation
2. Brawijaya University has lot of research on habitat and ecosystem in the coastal areas of East Java, the ongoing research at the moment is seagrass bed mapping in the Java Sea. Such research and data collection can be replicate in the UoA (Kotabaru) if funding available
3. Ibu Ledhy and team reconfirm their interest with FIP as they also will be handling anchovy, mackerel and longtail tuna FIP as part of their future program with DKP Province.
4. Brawijaya University willing to share any related research they have done in other areas as long as the FIP felt its related or useful for the FIP

Follow up:

1. Reach out to Brawijaya University to check their decision after internal discussion
2. Looking for funding mechanism to sponsor the research or activities by Brawijaya University in the UoA if they are willing to join the FIP

Documentation:

Meeting with lecturers and staffs of Marine and Fishery Faculty of University of Brawijaya

FIP representative explain about shrimp FIP Action Plan and updates
