

25 January 2022

Dear Sir / Madam,

This letter is to certify that Bangor University received an Ocean Stewardship Fund Award of £33,291 from the Marine Stewardship Council in 2021 for the project, *Determining habitat impact in Nephrops fisheries in North Sea, West of Scotland and Irish Sea*. This project is part of the Project UK Fishery Improvement Project and is being match-funded by other funders of Project UK, including Whitby Seafoods and Young's Seafood among others.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Paul Houseman'.
