Famakafakana

Ny zava-nisy isan-tanà

Tsy mahafapo ny vidim bokatra ary mbola nihena raha mitaha tamin'ny taona lasa. Nefa ny vidim-piainana tsy mitsahatra miakatra

Tsy mitovy ihany koa ny prix isan-tanana, tsy mangarahara ny serasera avy amin'ny pivity vokatra

Tokony hitadiavana vahaolana miatomboka amin'ny kely ity vidim-bokatra ity amin'ny alalan'ny tetikasa chaîne de valeur, transformation de poulpe fumé sns

Zarina amin'ny tambazotra-tserasera ny valin'ny ezaka natao
