

Completed - November 2021 by Tom Evans KT

Using human observer reports from the period of 01/07/2021 to 14/07/2021 from 3 vessels

Component	Species Name	Common Name	%	Likely Design	Reason
Target	<i>Thunnus obesus</i>	Bigeye Tuna	3.9	P1	Target Species
Target	<i>Thunnus albacares</i>	Yellowfin Tuna	21.2	P1	Target Species
Target	<i>Xiphias gladius</i>	Swordfish	28.3	P1	Target Species
Target	<i>Coryphaena hippurus</i>	Dolphinfish/Mahi-mahi	1.8	P1	Target Species
Primary	<i>Thunnus alalunga</i>	Albacore Tuna	1.1	Minor	<5% of total catch and with management tools or measures in place or stock reference points available
Secondary	<i>Sphyraena barracuda</i>	Great Barracuda	0.4	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Lepidocybium flavobrunneum</i>	Escolar	0.7	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Makaira indica</i>	Black Marlin	0.4	Minor	<5% of total catch and no management tools or measures in place or stock reference points available

Secondary	<i>Makaira mazara</i>	Blue Marlin	0.7	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Gemphylus serpens</i>	Snake Mackerel	1.8	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Tetradontidae</i>	Puffer Fish Sp.	2.1	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Thyrstitoides marleyi</i>	Black Snoek	3.5	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
Secondary	<i>Prionace glauca</i>	Blue Shark	0.4	Minor	<5% of total catch and no management tools or measures in place or stock reference points available
ETP	<i>Carcharhinus longimanus</i>	Oceanic Whitetip Shark	0.7	N/A	CITES appendix I
ETP	<i>Sphyrna zygaena</i>	Smooth Hammerhead	14.9	N/A	CITES appendix II
ETP	<i>Carcharhinus obscurus</i>	Dusky Shark	17.7	N/A	CMS appendix II
ETP	<i>Isurus paucus</i>	Longfin Mako Shark	0.4	N/A	CITES appendix II, CMS appendix II
