

**Observer Report**

<b>Fishermen name</b>		<b>Number of traps in sample</b>	1
		<b>Location of sample</b>	<b>Name or code</b>

**A. Target / Bycatch records**

Species	Sex	Retained catch				Discarded catch			
		Total weight <u>retained</u> (kg)	Total number (n) <u>retained</u>	Min length (cm) in catch	Max length (cm) in catch	Total weight (g) <u>discarded</u>	Total number (n) <u>discarded</u>	Reason for discard (undersize / no market / other)	Condition of discarded animal (Alive / moribund / dead)
Target Crayfish	M								
	F								
Bycatch	Bycatch species 1								
	Bycatch species 2								
	Bycatch species 3								
	Bycatch species 4								
	Bycatch species 5								
	Bycatch species 6								
	Bycatch species 7								
	Bycatch species 8								
	Bycatch species 9								
	Bycatch species 10								

**B. ETP observations**

ETP species	Interaction observed <i>If no observation, leave blank</i>	Likely frequency of interaction	Likely direct impact of interaction
