Dear Mr. Lin and Ms. Wang,

I hope this email finds you well.

My name is Kevin Lin, and I am the Taiwan Fisheries Manager at [Ocean Outcomes](#).

I am writing on behalf of [Cheng Hung Seafood Frozen Produce Co., Ltd](#) in support of urgently needed tuna management measures in the Pacific Ocean, a region for which our government serves as an important leader and participant of the Western and Central Pacific Fisheries Commission (WCPFC).

We work closely with Ocean Outcomes (O2), a global organization of scientists, seafood industry experts, social and environmental specialists. O2's mission is to improve the sustainability of fisheries and seafood supplies and their contributions to our collective environmental, social and economic well being.

[Cheng Hung Seafood Frozen Produce Co., Ltd](#) is concerned with the status of the tuna stocks in the Pacific Ocean and their effective management. We operate in this region and the sustainability of these stocks is integral to not only our business, but also to the overall marine environment.

We strongly urge our government to take positions to ensure the WCPFC takes action at the 2025 Annual Meeting of the WCPFC Commission on these top priorities: (For details for each topic please refer to the attachment)

- **Compliance Monitoring and Transparency**
- **Tuna Stock Conservation and Harvest Strategies**
- **Electronic Monitoring (EM) and Reporting & Observer Coverage**
- **Transshipment Regulation and Port State Measures**
- **Bycatch Mitigation and Shark Protections**

We also enclosed a ISSF Position Statement to support our government.

親愛的林組長、王女士您好：

希望您一切安好。

我是林凱文，目前於[Ocean Outcomes](#)(O2)擔任台灣漁業經理。

謹代表誠宏冷凍股份有限公司撰寫此信，以表達對太平洋鮪魚資源管理措施的迫切支持。貴署在中西太平洋漁業委員會 (WCPFC) 中，身為重要領導者與成員之一，對該區域的管理具有關鍵影響力。

[誠宏冷凍股份有限公司](#)與 O2 密切合作。O2 是一個由科學家、水產品產業專家、社會與環境領域專業人士所組成的國際組織，致力於提升漁業與水產品供應鏈的永續性，並促進其對環境、社會與經濟福祉的正面貢獻。

[誠宏冷凍股份有限公司](#)對太平洋鮪魚資源現況及其有效管理深感關切。我們長期於該區域作業，這些漁業資源的永續發展不僅攸關本公司的營運，更影響整體海洋環境的健全。

我們誠摯呼籲我國政府在即將於2025年召開的WCPFC年會上，積極主張並推動以下優先議題（詳情請參見附件）：

- 合規監督與透明度
- 鮪魚資源保育與漁獲策略

- 電子監測 (EM)、漁撈回報與觀察員覆蓋率
- 船上轉載管理與港口國措施 (PSM)
- 混獲減量與鯊魚保育措施

我們亦附上國際漁業永續基金會(ISSF)的立場聲明書，以支持我國政府於上述議題上的立場。

謹此致意，敬祈 貴署持續領導我國於國際漁業資源管理上發揮積極角色。

--

Kevin LIN / 林凱文
