

**Scope of Work**  
**Mola Mola Analytics LLC**  
**Project for Oregon Dungeness Crab Fishery**  
**Originally submitted August 19, 2025**  
**Revised version submitted February 12, 2026**

**Task 1:** Develop model-based indices of relative abundance from NOAA trawl survey

**Task 2:** Develop statistical algorithms for forecasting catch from trawl survey indices

**Task 3:** Determine the magnitude of offshore refugia from fishing using NOAA trawl survey data

**Task 4:** Document methods, results, and management implications of Tasks 1-3 in brief report

**Timeline:** All products expected by March 22, 2026.
